

Cougartron Plus DATA SHEET

GENERAL DESCRIPTION:

Cougartron Plus is a smart alternative for smaller production environments and stainless steel weld cleaning. This effective electrochemical weld cleaner provides excellent results on smaller (1-5mm) stainless steel TIG welds and is equally useful for both off- and on- site use.

Cougartron Plus is a fantastic machine for one-step cleaning, passivation, electro-polishing and marking on stainless steel welds and surfaces. The electrolytic method provides the best corrosion resistance and it is safer, more environmentally friendly and quicker than pickling paste or mechanical grinding.

With the addition of [Cougartron Basic Etching Set](#), Plus can also be used for marking and etching.

TECHNICAL INFORMATION

Input Power	110V, 60Hz
Output Power	14V, 30Amps
Cleaning capacity	Single & double brush
Functions	Cleaning TIG, polishing, passivation, marking
Weight	15lbs -machine, 23lbs – starter set
Power	30Amps
Application	stainless steel, aluminum
Part Code	WELC1020 - Cougartron Plus Starter Set

Cougartron Plus Starter Kit Contents

PART CODE	PRODUCT NAME
	Cougartron Plus Machine Unit
WELC2047	Cougartron handle & lead with X connector, orange – 13ft
WELC2118	Cougartron earth lead & clamp with X connector, black – 13ft
WELC3101	Cougartron Powerbrush – copper crimp – <i>5pcs in the kit</i>
WELC2226	Cougartron wand with twist shroud for <i>single brush</i>
WELC3083	CGT-350 Weld Cleaning Fluid – 1Qt
WELC3120	CGT-N1 Neutralizing Fluid – 1Pt
WELC2005	Acid Pot with lid – 1Pt (<i>for CGT-350 or CGT-550 cleaning fluid</i>)
WELC2201	Cougartron spray bottle with sprayer 1Pt (empty) <i>for CGT-N1 neutralizer</i>
WELC2149	Cougartron microfiber cloth 16x16inch (black)
